

## WSMS Club

### Meeting Minutes for 3/1/2015

The meeting was held at the Polkow's House. The purpose was social and to list races in which club members are committed. Lou Vicelli computer guy entered many participants race commitments into the computer for this year's season. We also invited anyone interested in joining the club. The attendees were:

Lou Vicelli

Dave Polkow

Stephanie Brasie

Tim Winard

Lena Benson

Ruth Buffalo

Kevin

Karen Zenisek

Maddie Sebonia

Cherie Durett

Tracy Gainer

Richard Garcia

Donna Piacenza

The question was posed, What would draw you to join this club?

Ruth explained its better to call beginners Newbies. She felt a club offers more excitement and support. For more experienced athletes the club could offer

information, interfacing with people who have done certain races and can share experience, and clinics from coaches.

We are beginning to sign up new members. It is exciting to see old and new faces alike. We are in the process of composing a flyer to spread the word to join WSMS club.
